Architectural site plan of a parking area. The plan shows a rectangular parking lot with a central island. The overall dimensions of the parking area are 20.10m by 16.25m. The central island has a width of 20.40m. The parking lot is bordered by a sidewalk (Marciapiede) and a road (Via Lungomare). The plan includes labels for various elements: 'Fabbricato Altra ditta' (Building by another company) for the surrounding structures, 'Recinzione da sostituire' (Fence to be replaced) for the perimeter fence, 'pavimentazione antitrauma da sostituire' (Anti-trauma paving to be replaced) for the central island paving, and 'Cancello da riverniciare' (Gate to be repainted) for the gate. A scale of 1:200 is indicated at the top left. A north arrow is located in the bottom right corner.
