The figure displays four architectural sections (A-A, B-B, C-C, and D-D) of a building complex, showing elevations, terrain profiles, and property boundaries. Each section includes a plan view inset showing the building's footprint and orientation.

SEZIONE A-A: Shows a long building with a central entrance and a car parked in front. Elevation markers range from 349.50 to 363.00. The terrain profile is shown with a dashed line. The property boundary is marked with a red dashed line.

SEZIONE B-B: Shows a building with a central entrance and a car parked in front. Elevation markers range from 347.20 to 360.00. The terrain profile is shown with a dashed line. The property boundary is marked with a red dashed line.

SEZIONE C-C: Shows a building with a central entrance and a car parked in front. Elevation markers range from 358.40 to 359.80. The terrain profile is shown with a dashed line. The property boundary is marked with a red dashed line.

SEZIONE D-D: Shows a building with a central entrance and a car parked in front. Elevation markers range from 355.00 to 357.00. The terrain profile is shown with a dashed line. The property boundary is marked with a red dashed line.
