

e.p.c. COMITATO TECNICO DI GESTIONE
Contratto di Servizio

Oggetto: Modifiche al Programma di Esercizio sulla linea ferroviaria Volla – Baiano

Come noto, dal 27 ottobre 2025 – a seguito di lavori di manutenzione straordinaria effettuati sulla tratta in oggetto, compreso il collaudo del ponte in ferro posto alla prog. 27+335 tra Saviano e Nola, la linea Volla - Baiano è stata riaperta al normale esercizio ferroviario.

Rispetto al vigente programma di esercizio, presentato e condiviso con tutte le Amministrazioni Comunali in indirizzo nell'incontro tenutosi l'8 ottobre scorso, convocato con nota EAV-0038126-2025 del 03/10/2025, si è ritenuto apportare alcune modifiche, finalizzate a migliorare la regolarità e l'affidabilità dell'offerta di trasporto per rispondere in modo più efficace alla domanda di mobilità. Tali modifiche saranno operative a decorrere da lunedì 8 dicembre 2025.

Nello specifico, saranno introdotte **due nuove corse ferroviarie**:

- la mattina da Volla alle 06:10 (treno n. 80609), con effettuazione di fermata nelle principali stazioni:

- VOLLA
- CASALNUOVO
- POMIGLIANO D'ARCO
- VIA VITTORIO VENETO
- SCISCIANO
- SAVIANO
- NOLA
- CIMITILE
- CICCIANO
- ROCCARAINOLA
- BAIANO

- la sera da Baiano alle 20:05 (treno n. 82004), con effettuazione di tutte le fermate.

Inoltre:

- i primi due treni da Volla, delle 07:00 e delle 08:00, saranno posticipati rispettivamente alle 07:07 e 08:09;
- i restanti treni da Volla adotteranno la nuova cadenza al minuto "05" (09:05, 10:05, 11:05, ..., 19:05);
- il treno da Baiano delle 07:15 sarà anticipato alle 07:10;
- i restanti treni da Baiano saranno confermati nell'attuale cadenza con partenza al minuto "00" (08:00, 09:00, 10:00, ..., 19:00, 20:05).

I tempi di percorrenza di tutte le corse saranno adeguati all'effettiva capacità delle tracce, da 46 a 50 minuti.

Nel restare a disposizione per ogni eventuale approfondimento e/o confronto tecnico si porgono distinti saluti.

Il Presidente del CdA e DG

Dott. Umberto De Gregorio
