Payment of the balance (Data Sheet 4.2, Article 22.3.4) — Final grant amount
(Article 22) — Grant reduction (Article 28)

Dear Madam/Sir,

In connection with your request for payment of the balance, I would like to inform you about the calculations for your grant.

Since your balance is positive, we intend to make a **payment of EUR 41 440.00** to cover the balance.

You will find the detailed calculations in the enclosed documents.

If you are coordinator of a consortium, please distribute the payment between the participants of your project without delay.

The project has contributed well to the objectives and priorities of the Citizens, Equality, Rights and Values Programme by bringing interesting and attractive topics of discussion to a citizens debate, such as promoting civic participation and a shared European identity, protecting cultural heritage, folklore and local traditions, together with festive activities. The municipalities as well as the citizens involved in the project activities were satisfied with the achieved results. Indeed, the dissemination of the project results reached the participants, local and regional communities, ensuring a good level of impact and visibility.

If you disagree, please provide us with your **observations** — within **30 days** after receiving this letter.

Please ensure that the other participants in your project (if any) are informed of this letter and are given the opportunity to contribute their observations.

For any questions, please contact us via your [Funding & Tenders Portal account > My Project\(s\) > Actions > Manage Project > Process communications](#).

Yours faithfully,

Authorising Officer
