

An aerial photograph showing a town with a dense grid of buildings and streets, surrounded by large, rectangular agricultural fields. A black dashed line outlines a specific area, likely a school district or a planning zone, which includes parts of the town and the surrounding countryside. The fields are in various stages of cultivation, with some appearing green and others brown. The town itself has a mix of residential and commercial buildings, with some larger industrial structures visible on the outskirts. The overall scene is a typical rural-urban landscape.
