

DAVIDE TURRI

MATERIALS ENGINEER

DAVIDE TURRI

Born in Ferrara on 22th of June 1972

TRRDVD72H22D54H

FORMATION

1991, ITIS "F. Viola" Rovigo: Certificate of Electrotecnical Industrial Surveyor.

2000, Università degli Studi di Ferrara: Degree Materials Engineer

2000, His Profession

LANGUAGES

English

French

INFORMATIO SKILLS

O.S. Microsoft.

L Cobol, Pascal, C.

Microsoft Word, Excel, Power Point, Corel Draw, Publisher.

Autocad, Microstation, Finished Elements.

Microsoft Project, SAP.

SEM, Electrochemical Impedence Spectroscopy Analysis.

SPECIALIZATION TRAINING

1996: Advisor Group for Aerospace Research & Development, Firenze, Settembre 1996: Enviromentally Compliant Surface Treatments of Materials for Aerospace Applications.

1997: Centro Tecnologico dip. Ingegneria Univ. Degli Studi di Bologna: Tecniche di indagine non distruttiva delle qualità microstrutturali di strutture anisotrope in materiale composito, soggette a stress monodirezionale.

1998: MIRAI, Associazione di Ingegneri per la Gestione d'Impresa, Bologna, Maggio-Luglio 1998: Corso di avvicinamento al Management d'Impresa.

1998: Centro Studi Sulla Corrosione "A. Daccò" Univ. Degli Studi di Ferrara: Ricerca di Chromate-free Treatments per la protezione delle leghe di alluminio.

1998: Centro Studi Sulla Corrosione "A. Daccò" Univ. Degli Studi di Ferrara: Seminario di studi sul Comportamento alla corrosione e caratteristiche microstrutturali di acciai inox bifasici saldati con sorgenti ad alta energia.

1999: Centro Studi Sulla Corrosione "A. Daccò" Univ. Degli Studi di Ferrara: Seminario di studi sulle Tecniche di rilevamento e comparazione della diffusione d'idrogeno negli acciai inox saldati.

2001: DNV, Det Norske Veritas, Venezia, Ottobre 2001: Corso informativo Marine Equipment Directive: Procedure di prove al fuoco.

2002: ATM, Associazione Italiana di Metallurgia, Milano, Novembre 2002: Seminario sull'Incertezza di misura nelle prove meccaniche.

2003: DNV, Det Norske Veritas, Padova, Maggio 2003: Corso informativo sui requisiti ed obblighi di leggi relative ai materiali da installare a bordo di navi commerciali.

- 2007: Assindustria Ferrara: **PMO Management system** for Mechanical Industry
 2009: Università di Ferrara: 2° Corso di specializzazione sui Trattamenti termochimici delle Resine Epossidiche a basso contenuto Alchidico.
 2010: MIRAI Associazione Di Ingegneri per la Gestione d'Impresa: **LEAN MANAGEMENT**
 2012: Unindustria Vicenza: Corso di formazione manageriale per Dirigenti d'Azienda.

PUBLICATIONS

- 1999: Pinelli M., Casano G., Piva S., Turri D. 1999, Solid-liquid phase-change heat transfer in a vertical cylinder heated from above, *Int. J. Heat and Technology*, 18, pp. 61-67 (anche in: Atti del XVII Congresso Nazionale UIT (Ferrara), ETS, Pisa, 1999, 1, pp. 253-264).
 1999: Bettocchi R., Spina P.R., Turri D., Pinelli M., Venturini M., Influenza dell'incertezza di misura sulla determinazione dello stato di funzionamento di turbogas, Atti del 54° Congresso ATI (L'Aquila), SGE, Padova, 2, pp. 875-886.
