

Busta 4 L

edu. A)

1. Cosa si intende per "presa in carico" e quali sono i suoi obiettivi.
2. Qual'è la differenza tra determina e delibera.
3. Il ruolo del servizio sociale nella domiciliarità a favore di una persona anziana.

George Lucas has given the world some of the greatest film franchises of all time: Star Wars and Indiana Jones. Now he is giving the world the Lucas Museum of Narrative Art in Los Angeles on 22 September, with a promise to make art more accessible to everyone. The museum has thirty-five galleries, two theatres, a library, a retail store, a restaurant, a café and event spaces. It houses Lucas's entire collection, organised in galleries that are curated around thematic experiences such as family, love, work and adventure. It rests on three pillars: narrative art history, the art of cinema and digital/graphic art.

BUSTA 2

1. Come si costruisce una "relazione d'aiuto".
2. Quali sono le modalità e le procedure metodologiche che l'Assistente Sociale deve mettere in atto nel colloquio di segretariato sociale.
3. Quali sono le diverse tipologie di ISEE e i loro campi di applicazione

The image shows a circular official stamp in blue ink, partially obscured by handwritten signatures in blue ink. The stamp contains the text "CIVIL LEGAL" and a central emblem. There are three distinct handwritten signatures in blue ink, with one signature appearing to be "M. M." and another "M. M.".

In Glasgow, Scotland's largest city, you may have noticed a curious statue: a man on horseback wearing a traffic cone on his head. The man depicted is Arthur Wellesley, first Duke of Wellington. The traffic cone was first placed on the Duke's head as a joke in the early 1980s. Since then, every time the city council removes it, some prank-loving citizen puts it back. The habits of putting cones on statues' heads has spread to other Scottish cities. Sometimes, locals and artists change the cone's colour to mark special events or causes: it became gold to celebrate Olympic success and different colours have been used for political and social statements.

BUSTA 3

1. Quali sono le funzioni dell'Amministratore di Sostegno e quale ruolo svolge l'Assistente Sociale nel procedimento di nomina e nel successivo percorso di tutela della persona.
2. Qual'è il rapporto tra programmazione politica e gestione tecnico-amministrativa.
3. Il candidato illustri il ruolo dell'équipe nella professione dell'Assistente Sociale.

Jerome K. Jerome's account of a two-week boating holiday on the River Thames is as insightful and delightful as it was when it was published in 1889. The book was originally intended to be a serious travel guide, but instead became a timeless comic reflection on the human condition. At the start, the narrator and two friends discuss their bad health. After reading a medical text in the British Museum, the author diagnoses himself with almost every illness it contains. The three friends agree that "overworking" must be the problem and decide to take a boat trip.

BUSTA ~~4~~ 4

1. Qual è la differenza tra la responsabilità organizzativa di un Coordinatore e la responsabilità professionale di un Assistente Sociale.
2. Quali sono gli elementi che caratterizzano la stesura di una relazione sociale.
3. Ipotesi di maltrattamento in famiglia di una persona anziana: responsabilità e d interventi a cura del servizio sociale

Mark Twain, considered the father of American literature, fought against slavery all his life. He was shocked when his own parents ordered the whipping of Jennie, the black slave who had nursed him and his siblings, for insubordination. "The woman was almost like one of the family", Twain wrote. Jennie then demanded to be sold.

Twain's attitude towards American Indians changed from racist prejudice during his time in the West to later empathy and anti-imperialist anger as he recognised the terrible impact of European and American colonisation.

The writer loved modern technology and inventions. He was one of the first Americans to have a telephone at home.

BUSTA ~~4~~ 5

1. Il candidato illustri come l'integrazione di sguardi professionali differenti si configura come un "valore aggiunto" nell'accompagnamento di soggetti vulnerabili.
2. Cosa si intende per "Progetto Individualizzato"
3. Il candidato illustri la rete dei servizi di supporto all'anziano per il suo mantenimento a domicilio e come attivarla.

The image shows a blue circular official stamp from the Municipality of Legnano. The stamp contains the text "COMUNE DI LEGNANO" around the perimeter and a central emblem. Overlaid on the stamp and extending downwards are several handwritten signatures in blue ink, including a large, stylized signature and a smaller one to the right.

One of the greatest and most controversial rock and roll bands of all time, the Rolling Stones, were formed in London in 1962 when singer Mick Jagger and guitarist Keith Richards bonded over a shared love of music. Taking their name from a song by blues legend Muddy Waters, and adding guitarist Brian Jones, bassist Bill Wyman and drummer Charlie Watts to the line-up, they took the world by storm, rivalled in popularity only by their musical foils The Beatles. Over six decades later, the band have recently released their 25th studio album and have hinted they may tour in 2027. The Rolling Stones' lyrics are mostly low level and repetitive, making them ideal for improving your English.

BUSTA # 6

1. Quali sono gli strumenti di lavoro dell'Assistente Sociale.
2. Cosa si intende per "comprensione empatica" e perché è importante nella professione dell'Assistente Sociale.
3. Il significato di "risorsa" nel servizio sociale.

“Piece of cake” is a phrase used to describe a task that requires very little effort for the person who completes it. The idiom originated in America and may be associated with the “cakewalk”, a 19th-century subversive dance invented by enslaved Africans. They mimicked the formal manners of plantation owners in a performative style as a means to maintain their dignity under impossible circumstances. The idiom is used to describe a task that is easy to achieve (and perhaps easier than you expected). In honour of its roots, it is often accompanied with a gesture to emphasise ease, such as a wave of the hand.

BUSTA 7

1. Un anziano di 84 anni, ricoverato per una frattura al femore, è in fase di dimissione. Non ci sono figli né parenti in grado di accudirlo ma solo la moglie anch'essa ottantenne. L'anziano evidenzia a seguito del ricovero dei segnali di difficoltà cognitive che la moglie dichiarava di non essere in grado di gestire. Indicare quali sono gli elementi che si ritiene importante acquisire per l'analisi della situazione e l'ipotesi progettuale che individui gli strumenti professionali da utilizzare, le figure e i servizi coinvolgibili per la gestione del caso.
2. Finalità e caratteristiche del segretariato sociale
3. Cosa si intende per integrazione socio-sanitaria e come si attua.

Handwritten signature and official stamp. The stamp is circular with the text "DI LEGGI" visible. Below the stamp, the handwritten text "mo" and "Del 2/11" are present.

The Bayeux Tapestry, one of the most famous and recognisable historical documents in the world, is now on show for millions to visit in the British Museum in London while its usual home in the town of Bayeux in Normandy is closed for renovations. Seventy metres long and fifty centimetres high, the Tapestry is actually misnamed, as it is really a wool-on-linen embroidery. The document represents, in a visual, comic book-style, the Norman invasion of England in 1066, which culminated in the Battle of Hastings and commemorates the moment from which the British monarchy dates its origin.

BUSTA ~~11~~ 8

1. Che cosa si intende per "Progetto Dopo di Noi"
2. Quali possono essere le progettualità a favore di un minore seguito dai servizi sociali nella fase del proseguo amministrativo
3. Quali possono essere le situazioni a "rischio burnout" nella professione dell'Assistente Sociale e quali gli strumenti per evitarlo.

A blue circular official stamp is partially obscured by a large, stylized handwritten signature in blue ink. Below the main signature, there is a smaller, more legible handwritten signature in blue ink.

Two hundred and fifty years after his birth, John Constable remains one of Britain's most celebrated artists. Born in Suffolk in 1776, Constable found inspiration in the countryside around his home. He created works that transformed landscape painting by focusing on the places he knew and loved best. The fields, rivers, and villages of Suffolk became his favourite subjects and remained central to his work throughout his life. Throughout 2026, Suffolk has been marking the anniversary of Constable's birth with a programme of exhibitions, events and creative projects called Constable 250. Walking is one of the central themes of the 250th anniversary celebrations. Visitors are encouraged to explore the same paths, rivers and fields that inspired Constable more than two centuries ago.
