

PROGRAMMA INTEGRATO DI INTERVENTO
in località Stazione per l'attuazione della "Zona
destinata a Riquadrificazione Urbana" approvata
con D.G.R. n.968 del 03/11/2022 e pubblicata
sul BURL n.93 del 10/12/2022

An aerial photograph of a road intersection. A large, two-story building with a tiled roof and multiple windows is situated at the top of the frame. The road curves around a triangular median in the center, which is bordered by a low wall and some vegetation. A white car is visible on the road to the left. The surrounding area includes trees and other buildings, including one with a red roof in the bottom right corner.
