Suspension of certificate(s)

BM Certification informs that certificate(s) No **MSC-14-1154** has been suspended as of **12 March 2026**.

The certificate(s) has/have been suspended due to **not addressing major nonconformities identified during the previous audit**.

During this period of suspension:

- Do not conduct any business on the basis of your BM Certification certification;
- Refrain from using the BM Certification Logo and Certification mark(s) and discontinue the use of all advertising matter that contains any reference to your BM Certification certification.
- Identify and inform your customers of this suspension, where appropriate.

Please notify us when you have taken action to address this issue. We will re-instate your certificate when your response has been reviewed and is considered satisfactory.

Failure to address this issue before **11 March 2026** will lead to the certificate being permanently withdrawn.

You have the right to appeal the decision to suspend your certification. If you wish to appeal the decision, please refer to the appeals process and guidelines on the BM Certification website <https://bmcertification.com/>.

If you have any queries, please do not hesitate to contact BM Certification.
