

## GIANLUIGI BACCHETTA SHORT CV

Degree in Life Sciences at the University of Cagliari (Italy) in 1996.

Master in "Landscape Planning" at the University of Cagliari (Italy) in 1997.

Master in "Vegetation Analysis: survey and data elaboration on flora, vegetation and soil" at the University of Ancona (Italy) in 2000.

PhD in Geomorphology and Geobotany at the University of Ancona (Italy) finished in December 2000.

European PhD in Plant Biology (O25 C) at the University of Valencia (Spain), suficiencia investigadora obtained in November 2002.

Lecturer at the Marche Polytechnic University from 2000 to 2002.

Assistant Professor at the Faculty of Science of the University of Cagliari (Italy) from 2002 to 2006.

Associate Professor at the Faculty of Human Sciences at University of Cagliari (Italy) from 2006 to 2015.

He is currently full professor at the Department of Life and Environmental Sciences of the University of Cagliari (<http://dipartimenti.unica.it/scienze Dellavitaedellambiente/>) and Adjunct Professor at the University of Tehran.

Director of the HBK (Hortus Botanicus Karalitanus) of the University of Cagliari (<http://sites.unica.it/hbk/>).

Director of the Conservation Centre of Biodiversity (CCB) of the University of Cagliari (<http://www.ccb-sardegna.it/index.html>).

Deputy director of the Doctorate program in Earth and Environmental Sciences and Technologies of the University of Cagliari (<http://dottorati.unica.it/stta/>).

Since 1991 he has been working on geobotanical and conservation biology studies of the Mediterranean biota and on plant diversity of islands concerning phytoclimatology and phytogeography as well.

He has published about 500 scientific papers, most of these in international journals. Total number of citations and general bibliometric indicators of whole publication record (as of 15 June 2021):

ISI WOS: 228 papers, 3480 citations, H-index: 30

Scopus: 326 papers, 4724 citations, H-index: 33

ResearchGate: 542 research items, 7196 citations, H-index: 42

Google: 670 research items, 8996 citations, H-index: 42

He has collaborated with Italian and international editors on 21 scientific books.

He serves as a peer reviewer for both national and international journals in the field of biodiversity conservation. He is editor of Plant Biosystems (<https://www.tandfonline.com/toc/tplb20/current>) and Plant Sociology (<http://plantsociology.scienzadellavegetazione.it/ojs/index.php/ps/index>), associate editor of Mediterranean Botany (<https://revistas.ucm.es/index.php/MBOT>) and member of the Documents Phytosociologiques, Frontiers in Conservation Science (<https://www.frontiersin.org/journals/conservation-science>) and Journal of Zoological and Botanical Gardens (<https://www.mdpi.com/journal/jzbg/editors>) editorial boards.

From February 1997 to 2002 he was a member of the executive council of the Sardinian Section of the Italian Botanical Society (SBI) as a counselor and responsible for the "Commission for the Sardinian flora protection". In November 2002 he was elected as secretary in the executive council and president of the Sardinian Section of the SBI from 2006 to 2008. From 2009 to 2015 he has been member of the executive council of the Italian Association for Vegetation Science (SISV).

Actually he is president of the GENMEDA network (<http://www.genmeda.net/>), deputy president of the scientific council of Conservatoire Botanique National Corse (<http://cbnc.oec.fr/>), regional delegate for environment and landscape of Fondo Ambiente Italiano (<https://www.fondoambiente.it/>) and member of the scientific council of Conservatoire Botanique National Méditerranéenne (<http://www.cbnmed.fr/src/prez.php>), INITIATIVE PIM pour les Petites Iles de Méditerranée (<http://initiative-pim.org/index.php/gouvernance/>) and Centro Regionale di Competenza RESTART (<https://www.uninuoro.it/organizzazione-restart/>).

Also, he is principal investigator of various international projects (LIFE+, Interreg, ENPI, ENI, Erasmus+) financed by the European Union.
